AMENDMENT #1
TO THE
FY 2021-2024
TRANSPORTATION
IMPROVEMENT
PROGRAM
& AMENDMENT #13
TO THE 2040
METROPOLITAN
TRANSPORTATION
PLAN (MTP)**

The Public is hereby made aware that the KYOVA Fiscal Years (FY) 2021-2024 Transportation Improvement Program (TIP) and 2040 Metropolitan Transportation Plan (MTP) for the KYOVA Interstate Planning Commission Planning Area are being amended in accordance with Fixing America's Surface Transportation (FAST) Act enacted on December 4, 2015, in cooperation with the West Virginia Department of Transportation - Division of Highways (WVDOH), Kentucky Transportation Cabinet (KYTC), Ohio Department of Transportation (ODOT), Federal Highway Administration (FHWA), Federal Transit Administration (FTA), Tri-State Transit Authority (TTA), Ashland Bus System (ABS), and Lawrence County Port Authority (LCPA).

The 2021-2024 TIP and 2040 MTP are for the KYOVA Interstate Planning Commission's Planning Area which includes: Cabell and Wayne counties in West Virginia; Boyd and Greenup counties in Kentucky; and the urbanized area of Lawrence County in Ohio. KYOVA supports the 3 state DOT's Performance Measure (PM) targets for PM 1: Safety; PM 2: Bridge and Pavement; and PM 3: System Performance in order to track each transportation project toward meeting the baseline goals for each measure in each of the key national performance areas. More specifically, the 2040 MTP is a financially constrained plan, meaning it identifies projects and programs that can reasonably be implemented within the years of the plan. The 2021-2024 TIP includes priority projects and programs for which implementation is anticipated in the next four fiscal years (FY 2021, FY 2022, FY 2023, and FY 2024). The KYOVA 2021-2024 TIP describes all highways projects, maintenance, and new capacity; transit projects (both capital and operating); and bicycle and other transportation projects for which federal funding is anticipated and provides a financial plan for implementation. The TIP also includes estimates of available FTA funds for vans to serve the elderly and handicapped. Furthermore, the FY 2021-2024 TIP satisfies the Program of Projects (POP) requirements of the FTA.

Public review will begin July 07, 2020 and conclude at the close of business on July 22, 2020, which satisfies the required 15-day public review period. Persons wishing to review the proposed amendments for the FY 2021-2024 TIP and 2040 MTP may view the copies by visiting the KYOVA website at www.kyovaipc.org or request copies by contacting the KYOVA Interstate Planning Commission office before the end of the business day at 4:30 p.m. on Wednesday, July 22, 2020.
