

## **Airports**

Airports are a vital key to our transportation system. From private to commercial and passenger to cargo, airports cater to a variety of needs. The airports in our area are also located near other intermodal forms of transportation; thereby, allowing greater access and cheaper transportation opportunities to businesses and individuals.

The Huntington/Tri-State Airport (HTS) serves the Huntington, WV-KY-OH TMA region. HTS is located just off I-64 at Exit 1 in Kenova, West Virginia and is just minutes from downtown Huntington, WV; Ashland, KY; and Ironton, OH. Business and leisure travelers enjoy affordable, convenient, and hassle-free service in a relaxed, friendly environment.
