

Public Riverports and Intermodal Facilities

Inland waterways system and intermodal transportation has been an extremely efficient mode of transportation for centuries. Intermodal freight transport involves the transportation of freight in an intermodal container or vehicle, using multiple modes of transportation (rail, ship, truck), without any handling of the freight itself when changing modes. Barges and other river transport efficiently deliver materials without congesting the roadways. KYOVA includes river transportation and intermodal facilities in the transportation planning process and can be found in *Chapter 7 of the KYOVA 2040 Metropolitan Transportation Plan (MTP)*.

Below highlights the public riverports and intermodal facilities in the Huntington, WV-KY-OH Transportation Management Area (TMA).

West Virginia	
<p>Cabell-Wayne Port District</p> <p>Contact Information Michele P. Craig, Executive Director KYOVA Interstate Planning Commission 400 Third Avenue Huntington, WV 25701 Phone: (304) 523-7434 E-mail: mcraig@kyovaipc.org</p>	<p>Located along the Ohio River in Huntington, WV, this project received local port district status in June 1994. Huntington area officials are investigating several potential sites. Environmental and master plan studies are in progress. The Port is being considered for an inland Container Port which will be located in Prichard, WV and is currently under study. The Inland Container Port would grant public access to both the international markets of the Virginia Port Authority as well as, the Container Port of Columbus, OH.</p>
<p>Prichard Intermodal Facility 11713 Route 152 P. O. Box 519 Wayne, WV 25570</p> <p>Phone/Fax: (304) 272-9050 Website: http://www.wceda.org/properties/prichard-intermodal-facility/</p>	<p>The facility at Prichard will utilize its location, access to the regional Tri-State Airport and larger railway tunnels to become a hub of commercial transportation and product transition for the North-Atlantic region. Once complete it could be approximately 1 to 1.5 million square feet.</p>
<p>Port of Huntington Tri-State P. O. Box 249 Ashland, KY 41105-0249</p> <p>Website: http://huntingtonwaterways.com/</p>	<p>The Port of Huntington, WV is the largest inland port in the United States. Included in the port's area is 100 miles of the Ohio River from the mouth of the Scioto River in Portsmouth, Ohio to the northern border of Gallia County, Ohio, 9 miles of the Big Sandy River, and 90 miles of the Kanawha River.</p>
Kentucky	
<p>Greenup-Boyd County Riverport Authority/Wurtland Riverport 2800 Louisa Street P. O. Box 423 Catlettsburg, KY 41129</p> <p>Website: http://www.wurtlandriverport.com Contact: Nickie Smith – (606) 739-0010 E-mail: nickiesmith@boycountyky.gov</p>	<p>The Wurtland Riverport is located at the Ohio River mile marker 333.5, has approximately 2000 sf of staging area with 25,000 sf of on-site warehouse storage. Outside storage yards consist of approximately one-half acre at dock side with 30 acres available in the park.</p>
<p>EastPark Industrial Park Greenup & Carter County, Kentucky</p> <p>Website: http://eastparkky.com/index.html Contact: Nickie Smith E-mail: nickiesmith@eastparkky.com</p>	<p>EastPark is a 1000-acre multi-use business park that offers significant advantages for businesses and industries competing in the global marketplace. Located next to I-64 in northeast KY, EastPark provides land that is primed for development, with infrastructure in place to meet small business and large industrial demands.</p>
Ohio
