Administrative Modification #16**

The KYOVA Interstate Planning Commission hereby modifies the FY 2026-2029 Transportation Improvement Program (TIP) to reflect funding updates to Greenup County project #09-416.00 (Improve safety at the intersection of US-23 and Caroline Road [CS-4104] by installing a restricted crossing U-turn [R-Cut] intersection). Project details follow on the attached sheets.

The project is classified as a Groupable Project in KYOVA's FY 2026-2029 TIP (Table 7-3 – pages 43-44); therefore, a formal amendment is not necessary for the requested change/s.

Funding has been identified and reflected in the current fiscal constraint analysis; therefore, a new fiscal constraint analysis by the MPO is not required.
